

### Energy & Electric Power, Energy Conservation & Environment Protection Industry

<b>Company Name:</b>	<b>Zhejiang Provincial Energy Group Co Ltd</b>
<b>Company Profile:</b>	Investment, exploitation and operating management of energy projects including petroleum, natural gas, thermal power, renewable energy sources and power plant construction, etc.
<b>Major Investment Project:</b>	Owned by Zhejiang Provincial Energy Group Co Ltd, Zhejiang Electric Power Construction Co Ltd has participated in the construction of Vung Ang power plant and Duyen Hai power plant in Vietnam, and also taken charge in project management service and material supply.
<b>Website:</b>	<a href="http://www.zjenergy.com.cn">http://www.zjenergy.com.cn</a>
<b>Expected Way of Cooperation:</b>	Project investment, Merger and acquisition
<b>Expected Cooperation with Foreign Enterprises:</b>	Overseas investment of thermal power project, technical cooperation of coal power clean production, cooperative development of energy resources and electric power project EPC construction, etc
<b>Favorable Terms Offered:</b>	Provide financing facilities and professional services of electric power construction, operation and maintenance etc.
<b>Company Name:</b>	<b>Chint New Energy Development (Zhejiang) Co Ltd</b>
<b>Company Profile:</b>	<p>Manufacture: photovoltaic power generation system and products of photovoltaic integrated building;</p> <p>Technological development, technical services and technology consulting: new energy power station, new energy technology, products of new energy systems;</p> <p>Services: project management and installation of mechanical and electric equipment;</p> <p>Construction: new energy system projects and electric power engineering; distributed photovoltaic power station</p>
<b>Major Investment Projects:</b>	Chint has established power stations with 200MW of total installed capacity in USA, Japan, Spain, Korea, Thailand, Bulgaria, India, Rumania, South Arica and the Philippines. Meanwhile, Chint owns PV module factories in Thailand and Germany.
<b>Website:</b>	<a href="http://www.chinacne.com">www.chinacne.com</a>
<b>Expected Way of Cooperation:</b>	Project investment, Technology transfer and R&D, Merger and acquisition, Brand cooperation or patent licensing, Subcontract of products and services, Set up branches and marketing network, Others

<b>Expected Cooperation with Foreign Enterprises:</b>	Cooperate in the field of new energy, especially the photovoltaic power station.
<b>Favorable Terms Offered:</b>	The solution of photovoltaic power station
<b>Company Name:</b>	<b>Zhejiang Windey Co Ltd</b>
<b>Company Profile:</b>	Series wind turbine WD77/82/88/93-1500, WD103/107/110/115/121-2000, WD103/107/125-2500, WD103/139-5000 Services: 1. wind farm value analysis 2. product R&D and property 3. operation maintenance service and property optimization 4. project management; 5. supply chain and manufacturing
<b>Major Investment Projects:</b>	1. We participate in the construction of the 37.5MW East Kazakhstan wind farm as wind turbine supplier; 2. We participate in the construction of the 49.5MW Iran wind farm as wind turbine supplier.
<b>Website:</b>	<a href="http://www.chinawindey.com">www.chinawindey.com</a>
<b>Expected Way of Cooperation:</b>	Project investment, technology transfer and R&D, subcontract of products and services, others
<b>Expected Cooperation with Foreign Enterprises:</b>	Products customized for each individual project and wind turbine export; provide a series of valuable service including wind turbine O&M and professional training for local teams; cooperative development of wind farm.
<b>Favorable Terms Offered:</b>	Provide full-life cycle customized solution, services and products.
<b>Company Name:</b>	<b>Zhejiang Gas &amp; Thermoelectricity Design Institute Co Ltd</b>
<b>Company Profile:</b>	The business scope of Zhejiang Gas & Thermoelectricity Design Institute includes special planning of natural gas, heating, power and new energy, gas use planning, engineering consultative evaluation, feasibility study, project application, special application, subject researches, engineering design, EPC, etc.
<b>Major Investment Projects:</b>	Our company has completed the design of International contracting project, such as 2*20 MW bagasse based power plant of Ethiopia omo kuraz-1 sugar mill.
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Technology transfer and R&D, Subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Cooperation in engineering consulting, engineering design, engineering contracting
<b>Favorable Terms Offered:</b>	We can provide efficient, convenient and professional service to our clients

<b>Company Name:</b>	<b>Zhejiang Junan Energy Company Ltd</b>
<b>Company Profile:</b>	Pipeline gas and bottled gas business; wholesale/retail of LPG and LNG; wholesale/retail of lubricating oil, plastic products and metallic ore; power supply; pipeline engineering construction.
<b>Major Investment Projects:</b>	Business discussion with Shell, SK Group, etc.
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, Merger and acquisition
<b>Expected Cooperation with Foreign Enterprises:</b>	The company will build up an energy storage and transportation project, which need import LNG overseas after it is constructed and put into operation. The company also has the intention to acquire a gas company overseas if necessary.
<b>Favorable Terms Offered:</b>	Based on negotiation
<b>Company Name:</b>	<b>Perlight Solar Co Ltd</b>
<b>Company Profile:</b>	Mainly produce solar cell, solar panels and offer solar systems solutions.
<b>Major Investment Projects:</b>	We have already set up after-sales service and marketing centres in Mexico, Japan, Australia and UK. We would like to look for some other excellent partners in local market as our distributors.
<b>Website:</b>	<a href="http://www.perlight.com">www.perlight.com</a>
<b>Expected Way of Cooperation:</b>	Brand cooperation or patent licensing, Subcontract of products and services, Set up branches and marketing network
<b>Expected Cooperation with Foreign Enterprises:</b>	We would like to look for some other excellent partners in local market as our distributors and we can supply them solar panels, our technologies and offer solar systems solutions.
<b>Favorable Terms Offered:</b>	We can offer free training, free samples and help to build warehouse and after-sales service centres.
<b>Company Name:</b>	<b>Zhejiang Petrochina Sales Co Ltd</b>
<b>Company Profile:</b>	The retails of Gasoline, diesel and kerosene
<b>Major Investment Projects:</b>	None
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, Technology transfer and R&D
<b>Expected Cooperation with Foreign Enterprises:</b>	Seek cooperation in oil retails business
<b>Favorable Terms Offered:</b>	None
<b>Company Name:</b>	<b>Zhejiang Communications New Energy Investment Co Ltd</b>
<b>Company Profile:</b>	New energy (liquefied natural gas, solar photovoltaic)

<b>Major Investment Projects:</b>	New energy (liquefied natural gas, solar photovoltaic)
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment
<b>Expected Cooperation with Foreign Enterprises:</b>	New energy (liquefied natural gas, solar photovoltaic)
<b>Favorable Terms Offered:</b>	Provide high quality LNG
<b>Company Name:</b>	<b>Zhejiang AMAN Energy Technology Co Ltd</b>
<b>Company Profile:</b>	New energy, denaturing additive, development of the fuel technology; fuel oil (not contain product oil, hazardous chemicals), mechanical and electrical products, electronic product, metallic material, chemical materials (not contain the sales of hazardous material and precursor chemicals).
<b>Major Investment Projects:</b>	None
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Technology transfer and R&D, subcontract of products and services, set up branches and marketing network, subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	1) Cooperating on importing methanol with methanol production enterprises 2) Negotiating with refined oil wholesale retailers on the basis of cooperation on transferring of methanol gasoline and the supply of additive
<b>Favorable Terms Offered:</b>	1) Cooperative enterprises should be methanol production enterprises with stable production capacity 2) Refined oil wholesale retailers should have POS terminal (gas station)
<b>Company Name:</b>	<b>Hengdian Group DMEGC Magnetics Co Ltd</b>
<b>Company Profile:</b>	The Hengdian Group, our controlling shareholder, is one of Top 5 Privately Held Company in China. As its largest subsidiary company, DMEGC has 37 years of high volume manufacturing experience and is one of the most diverse R&D and manufacturing bases in China. We design and produce magnetic materials, battery, electronic products, PV cells, wafer, PV modules, etc. We also offer restaurant, hotel and other entertainment services.
<b>Major Investment Projects:</b>	DMEGC 'products have been used for more than twenty years by companies around the world. To date, we have five wholly-owned subsidiary companies and twelve offices in Japan, Germany, Hong Kong, and the United States and more – in all, we have business

	operations in over 50 countries worldwide.
<b>Website:</b>	<a href="http://www.chinadmegc.com/">http://www.chinadmegc.com/</a>
<b>Expected Way of Cooperation:</b>	Project investment
<b>Expected Cooperation with Foreign Enterprises:</b>	The sales of solar cells and modules.
<b>Favorable Terms Offered:</b>	High quality, preferential price, priority delivery.
<b>Company Name:</b>	<b>Hangzhou Lindong New Energy Technology Company</b>
<b>Company Profile:</b>	The development of new energy technology, the design, consultant and technology service of electricity power system
<b>Major Investment Projects:</b>	Have in-depth cooperation with Blue Shark from France, Verdant Power from the US, and international R&D organizations of ocean energy exploitation (like general electric).
<b>Website:</b>	<a href="http://www.lhd-tech.com">www.lhd-tech.com</a>
<b>Expected Way of Cooperation:</b>	Project investment, technology transfer and R&D, brand cooperation or patent licensing, subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Project development, cooperation in technology and financial Cooperation
<b>Favorable Terms Offered:</b>	Cooperation in technology and financial cooperation
<b>Company Name:</b>	<b>Hangzhou Gas Group Co Ltd</b>
<b>Company Profile:</b>	The company is engaged in the construction and operation of Hangzhou gas utilization projects, with 21 subordinate investment units of equity participation and holding. Its business scope covers the transfer, sales and service of high, medium and low pressure gas, gas engineering installation, sales of distributed energy and liquefied petroleum gas, sales, installation and maintenance of gas equipment, vehicle gas business, etc.
<b>Major Investment Projects:</b>	Cooperate with Shell to investment in Hangzhou natural gas energy utilities. In 2005, Hangzhou Gas Group, Shell, Hong Kong Towngas jointly established the Hangzhou Natural Gas Co Ltd, which is responsible for the phase 1 high-pressure pipeline system operation of Hangzhou natural gas utilization project; On December 1, 2013, Hangzhou gas utilization project has complete joint venture for phase 2, achieving the integration of high, medium and low voltage operation, and becoming the main pipeline gas supplier for Hangzhou (excluding Xiaoshan District, Yuhang District, Hangzhou Economic and Technological Development Zone). It has changed name from original Hangzhou Gas Group Co Ltd to Hangzhou Natural Gas Co Ltd
<b>Website:</b>	<a href="http://www.hzgas.com.cn/">http://www.hzgas.com.cn/</a>
<b>Expected Way of Cooperation:</b>	Project investment

<b>Expected Cooperation with Foreign Enterprises:</b>	Natural gas energy, new energy projects
<b>Favorable Terms Offered:</b>	None
<b>Company Name:</b>	<b>ENN Group Co Ltd</b>
<b>Company Profile:</b>	Enn Energy
<b>Major Investment Projects:</b>	Natural gas trade
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, others
<b>Expected Cooperation with Foreign Enterprises:</b>	Natural gas trade
<b>Favorable Terms Offered:</b>	Technology
<b>Company Name:</b>	<b>Zhongao Energy Group Co Ltd</b>
<b>Company Profile:</b>	P-xylene storage: methanol, p-xylene, styrene, toluene, xylene isomers mixture, naphtha and petroleum ether, sodium hydroxide, sulfur, generation of acetic acid with valid license to run.
<b>Major Investment Projects:</b>	We have set up a subsidiary corporation with a foreign enterprise.
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, Subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	We have good warehouse and logistics conditions, in the hope that foreign energy companies will come to our company for storage and transit shipment.
<b>Favorable Terms Offered:</b>	The advantage is to reduce the cost of logistics, and increase the output of domestic energy and chemical products.
<b>Company Name:</b>	<b>Huadong Engineering Corporation Ltd</b>
<b>Company Profile:</b>	Whole project contracting and EPC; Investigation, design, consultation, supervision, and concerned technical services for domestic and oversea projects; Project construction; exports of equipment and material needed by oversea projects; dispatching company personnel of investigation, design, consultation and supervision abroad; research and development, sale and concerned technical services of electro-mechanical equipment, electronic equipment, construction materials, chemical products (excluding dangerous cargo). (The above mentioned business scope is not including those forbidden, Ltd and permitted items according to the national laws and regulation.)***
<b>Major Investment Projects:</b>	"Kokhav Hayarden 370MW Pumped Storage Power Station in Israel Rehabilitation of Kainji hydropower station project in Nigeria

	Tricon Boston150MW Wind Farm EPC Project in Pakistan"
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Hydropower and renewable energy, urban construction and environment, project safety and operation
<b>Favorable Terms Offered:</b>	Our company has insisted on upholding the spirit of "Responsibility, Efficiency, Excellence". We have gathered the best engineering minds to ensure you to get the best value out of your money.
<b>Company Name:</b>	<b>Hangzhou Dongheng Petroleum Co Ltd</b>
<b>Company Profile:</b>	Wholesale and retail of gasoline, diesel oil, fuel oil, naphtha, methanol and other products
<b>Major Investment Projects:</b>	Import oil from Singapore companies in 2013
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, Merger and acquisition
<b>Expected Cooperation with Foreign Enterprises:</b>	1. To discuss the purchase or acquisition of gas stations and oil depots; 2. To import refined oil (92# gasoline, 95# gasoline, 0# diesel), methanol (natural gas), etc.
<b>Favorable Terms Offered:</b>	Share resources and find suitable opportunities
<b>Company Name:</b>	<b>Hangzhou Shanhejiang Advanced Energy Technologies Ltd</b>
<b>Company Profile:</b>	Research and development, manufacturing and sales of supercapacitor.
<b>Major Investment Projects:</b>	Products have been exported to Africa.
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, brand cooperation or patent licensing, subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Application and development of products
<b>Favorable Terms Offered:</b>	Cost-effective products and service
<b>Electronics &amp; Information Industry</b>	
<b>Company Name:</b>	<b>Zhejiang Chinajoiner Information Technology Co Ltd</b>
<b>Company Profile:</b>	Professional engaged in building intelligent systems (building automation systems, computer network systems, security systems, smart card systems, cable TV systems, integrated wiring system, computer room, conference system, information dissemination system, etc.), planning advice, engineering design, system equipment procurement, engineering construction, integrated commissioning, project management and operation and maintenance of value-added

	services.
<b>Major Investment Projects:</b>	None
<b>Website:</b>	<a href="http://www.chinajoiner.net/">http://www.chinajoiner.net/</a>
<b>Expected Way of Cooperation:</b>	Project investment
<b>Expected Cooperation with Foreign Enterprises:</b>	To undertake the design and construction of smart city construction related projects, to provide the wisdom of urban construction related products (hardware and software).
<b>Favorable Terms Offered:</b>	Advanced technology and management style
<b>Company Name:</b>	<b>Hangzhou Jielan Information Technology Co Ltd</b>
<b>Company Profile:</b>	Jielan is a national high and new technology enterprise who is engaged in the mobile Internet technical development, union pay card payment applications and services. Taking the service concept of "innovation, safety, convenient", the company is carefully constructing a comprehensive platform of people's livelihood to serve the people in convenient payment, and gradually growing into a mobile Internet O2O service operator integrating the service of communication, finance, retail, medical, food industry, etc.
<b>Major Investment Projects:</b>	A joint-venture cooperation was established with Russia Yota Devices company, with whom we co-promote and sale YotaPhone in China, and provide the corresponding user service.
<b>Website:</b>	<a href="http://www.188jielan.net/">http://www.188jielan.net/</a>
<b>Expected Way of Cooperation:</b>	Project investment, Others
<b>Expected Cooperation with Foreign Enterprises:</b>	Technical communication and project investment
<b>Favorable Terms Offered:</b>	Technology and market
<b>Company Name:</b>	<b>Zhejiang Dahua Security</b>
<b>Company Profile:</b>	Zhejiang Dahua Security is a leading provider of surveillance products and solutions, the world's leading video storage, front-end, display control and intelligent transportation products. Since 2002, the company launched the industry's first independent research and development of embedded DVR 8 for increasing R & D investment, and constantly committed to technological innovation.
<b>Major Investment Projects:</b>	Has set up 26 overseas distribution agencies (companies, offices)
<b>Website:</b>	<a href="http://www.dahuatech.com">http://www.dahuatech.com</a>
<b>Expected Way of Cooperation:</b>	Merger and acquisition, Subcontract of products and services
<b>Expected Cooperation</b>	Security services, security operations

<b>with Foreign Enterprises:</b>	
<b>Favorable Terms Offered:</b>	Advantage of security operation service and cooperation brand
<b>Company Name:</b>	<b>Hangzhou Golden Torch Technology Co Ltd</b>
<b>Company Profile:</b>	We are a research and development enterprise, focusing on research and development of ERP enterprise management system, electronic label auxiliary picking DPS/DAS system and WMS warehouse management system, WCS equipment management system, AS/RS system, RF system, and CAD drawing design, the finalization of three-dimensional animation, PLC program research and development, automated production lines, intelligent storage equipment integration.
<b>Major Investment Projects:</b>	None
<b>Website:</b>	<a href="http://www.zjijki.net">www.zjijki.net</a>
<b>Expected Way of Cooperation:</b>	Project investment, technology transfer and R&D, subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	To improve and cooperate in intelligent warehouse management system, collaboratively promote integration aspects of computer systems, promote product market and intelligent production line, etc.
<b>Favorable Terms Offered:</b>	Welcome agents to join or offer technical training.
<b>Company Name:</b>	<b>Zhejiang Sunhope Electronic Technology Co Ltd</b>
<b>Company Profile:</b>	PCB, PCBA, SMT, COB, CCL
<b>Major Investment Projects:</b>	R&D and production of PCB, PCBA
<b>Website:</b>	<a href="http://www.sunpcb.cn">http://www.sunpcb.cn</a>
<b>Expected Way of Cooperation:</b>	Subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Establish or outsource overseas marketing agencies
<b>Favorable Terms Offered:</b>	Exclusive agent or cooperative development
<b>Company Name:</b>	<b>Quzhou Sanyuanhuineng Electronic Co Ltd</b>
<b>Company Profile:</b>	We are a factory with more than 20 years' experience in manufacturing and designing voltage regulator/stabilizer, automatic transformer, silicone core, inverters, etc. We are the only supplier for the state grid corporation of China.
<b>Major Investment Projects:</b>	Our products are not only popular in local markets but also in many other countries like Africa, Mid-Asia, Mid-East countries, especially in India, Uzbekistan, Egypt, Myanmar and so on. We also have agent in Uzbekistan.
<b>Website:</b>	
<b>Expected Way of</b>	Set up branches and marketing network

<b>Cooperation:</b>	
<b>Expected Cooperation with Foreign Enterprises:</b>	Hope to set up more agent points, distribution points all over the world in the future
<b>Favorable Terms Offered:</b>	Price advantage of our products and the support of brand decorate for the agent points.
<b>Company Name:</b>	<b>Zhejiang A Pa Science and Technology Co Ltd</b>
<b>Company Profile:</b>	Network technology, computer technology, information technology and communication technology in the field of technology development, technology transfer, technical consulting and technical services; management consulting; marketing planning; design, production, agents, release domestic advertising; office supplies, daily necessities, clothing, shoes, bags, cosmetics sales; adult non occupation training certificate of import and export of goods
<b>Major Investment Projects:</b>	With the correct view of foreign partners, communicate with them with mutual trust and sincere
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Others
<b>Expected Cooperation with Foreign Enterprises:</b>	Product sales and promotion
<b>Favorable Terms Offered:</b>	Improve the quality of export products and reduce the cost of export products in order to enhance the competitiveness of export products.
<b>Chemical Industry</b>	
<b>Company Name:</b>	<b>Juhua Group Corporation</b>
<b>Company Profile:</b>	Chemical fertilizer, chemical material and product, chemical fibre, pharmaceutical excipients, intermediate and finished products, production and sales of food, machineries, hardware, metal material, building material, mineral products, package material, textiles, garments, sporting goods, arts and crafts, sales of coal, generation and supply of power, importation and exportation of company's product, technology and material according to the commodity list approved by economy and trade ministry, design, construction and installation of transportation and construction project.
<b>Major Investment Projects:</b>	In 1994, Juhua co-developed with Russia National Application Chemical Research Institute for technology improvement of tetrafluoroethylene, technical cooperation of tetrafluoroethylene-hexafluoropropylene copolymer and big-diameter aluminum oxide crystal
<b>Website:</b>	<a href="http://www.juhua.com">www.juhua.com</a>
<b>Expected Way of Cooperation:</b>	Project investment, Technology transfer and R&D, Merger and acquisition, Brand cooperation or patent licensing, Subcontract of products and services, Set up branches and marketing network
<b>Expected Cooperation</b>	Cooperate with relevant companies from Britain and Republic of

<b>with Foreign Enterprises:</b>	Kazakhstan to jointly establish branch offices and marketing networks for the following products and businesses: Fluorinated refrigerant, fluorinated plastic, macromolecule package material, fine chemical, petrochemical material, pesticide, electric chemicals, new energy material, functional material, equipment manufacture, environment-protection equipment, provide appropriate product, service outsourcing and technology transfer, R&D.
<b>Favorable Terms Offered:</b>	Juhua would establish professional regional investment management organization, enact appropriate preferential policy for product service and technology cooperation
<b>Company Name:</b>	<b>Wanlong Chemical Co Ltd</b>
<b>Company Profile:</b>	Fluorescent paint production (with the business approval certificate of production, storage of dangerous chemicals from Wenzhou government), paints, coatings, organic intermediates, dyes, additives (the business scope above does not contain hazardous chemicals and precursor chemicals), fluorescent plastic products manufacturing, sales; import and export of goods and technology (projects in-line with the law can carry out business activities only after being approved by relevant department)
<b>Major Investment Projects:</b>	None
<b>Website:</b>	<a href="http://www.wanlongchemical.com">www.wanlongchemical.com</a>
<b>Expected Way of Cooperation:</b>	Project investment, Set up branches and marketing network
<b>Expected Cooperation with Foreign Enterprises:</b>	Look for agents, or other forms of cooperation
<b>Favorable Terms Offered:</b>	Discuss it face to face
<b>Company Name:</b>	<b>Zhejiang Soerbo Chemical Co Ltd</b>
<b>Company Profile:</b>	Hexamethyl disilazane, hexamethyl disiloxane
<b>Major Investment Projects:</b>	None
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, Technology transfer and R&D, Subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Technical cooperation
<b>Favorable Terms Offered:</b>	Marketplace
<b>Company Name:</b>	<b>Zhejiang Tianshuo Fluorine Silicone New Material Technology Co Ltd</b>
<b>Company Profile:</b>	Sodium trifluoromethanesulfinate, fluoroethylene carbonate
<b>Major Investment</b>	None

<b>Projects:</b>	
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, Technology transfer and R&D
<b>Expected Cooperation with Foreign Enterprises:</b>	Technical cooperation
<b>Favorable Terms Offered:</b>	Marketplace
<b>Company Name:</b>	<b>Zhejiang Quzhou Built Orange Organic Silicon Co Ltd</b>
<b>Company Profile:</b>	Company's existing vinyl, vinyl single head and double head vinyl wreath, dimethyl 2 ethoxy silane, dimethyl dimethoxy silane, methyl vinyl dichlorosilane, double (multiple) vinyl silicone oil, platinum complex compound, containing H double head, MM, dimethyl vinyl silane and other automated production equipment and intelligent control system and management information system.
<b>Major Investment Projects:</b>	Some products have been sold to a number of countries such as South Korea, Japan, Europe, and have business and technical cooperation relationship with many famous companies overseas.
<b>Website:</b>	<a href="http://www.jcslc.com">http://www.jcslc.com</a>
<b>Expected Way of Cooperation:</b>	Technology transfer and R&D
<b>Expected Cooperation with Foreign Enterprises:</b>	Learn advanced management concept, management mode from foreign enterprises, and gain relevant technical support.
<b>Favorable Terms Offered:</b>	Give partners more preferential order price and offer mutually beneficial and win-win cooperation opportunities.
<b>Company Name:</b>	<b>Quzhou HuaFu New Refrigeration Material Co Ltd</b>
<b>Company Profile:</b>	Our main business includes distribution of all kinds of refrigerant gases and other chemicals, chemical technology consulting. The quality of products meets GB standard and other main countries' standards. Distribution capacity reaches 6000-10000mt/year.
<b>Major Investment Projects:</b>	None
<b>Website:</b>	<a href="http://www.cn-huafu.net">www.cn-huafu.net</a>
<b>Expected Way of Cooperation:</b>	Subcontract of products and services, Set up branches and marketing network
<b>Expected Cooperation with Foreign Enterprises:</b>	Hope to establish long-term cooperation as a raw material supplier for foreign enterprises.
<b>Favorable Terms Offered:</b>	Most competitive price and top-level quality.
<b>Company Name:</b>	<b>Quzhou Lande Material Trade Co Ltd</b>
<b>Company Profile:</b>	Distribution of chemicals and technology support.
<b>Major Investment</b>	None

<b>Projects:</b>	
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Subcontract of products and services, set up branches and marketing network
<b>Expected Cooperation with Foreign Enterprises:</b>	Supply of refrigerant gases and other chemicals as raw material and technology support.
<b>Favorable Terms Offered:</b>	Premium products with competitive price and professional technology support.
<b>Company Name:</b>	<b>Zhejiang Polyker Fluorine Material Co Ltd</b>
<b>Company Profile:</b>	Fluoropolymer processing aids and anti-dripping agents
<b>Major Investment Projects:</b>	None
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment
<b>Expected Cooperation with Foreign Enterprises:</b>	Invest in new projects
<b>Favorable Terms Offered:</b>	Labor force
<b>Company Name:</b>	<b>Quzhou Juwei Chemical Co Ltd</b>
<b>Company Profile:</b>	Hazardous chemicals management, chemical fertilizer, mineral products, chemical raw materials and products
<b>Major Investment Projects:</b>	None
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment, Set up branches and marketing network, others
<b>Expected Cooperation with Foreign Enterprises:</b>	Production marketing
<b>Favorable Terms Offered:</b>	Reciprocity and mutual benefit
<b>Company Name:</b>	<b>Zhejiang Zhenghe Silicone Material Co Ltd</b>
<b>Company Profile:</b>	Fluorosilicone material
<b>Major Investment Projects:</b>	Trade and technology exchange
<b>Website:</b>	<a href="http://www.zhgcl.cn">www.zhgcl.cn</a>
<b>Expected Way of Cooperation:</b>	Project investment, technology transfer and R&D, subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Production and application of new fluorine silicon material
<b>Favorable Terms Offered:</b>	Discuss personally
<b>Commerce &amp; Logistics Industry</b>	

<b>Company Name:</b>	<b>Jiaxing Layo Imp. &amp; Exp. Group Co Ltd</b>
<b>Company Profile:</b>	We have almost one thousand main business commodities covering textile garments material, leather light industrial products, sports outdoor leisure goods, home electronic appliances, hardware machinery products, chemical engineering and construction products, etc. We are also engaged in economic consulting service, real estate developing, and industrial products manufacturing. Our customers come from over 150 countries and districts. Our main exporting countries (districts) include Europe & America, Southeast Asia. Japan, Korea, Hong Kong, Taiwan and so on, and market gradually rise in South Asia, South America and Africa regions in recent years. We have been continuously ranked Top 1 Import and Export Enterprise in Jiaxing in the past 13 years, continuously 7 years listed in Top 500 National Service Industry.
<b>Major Investment Projects:</b>	Very Good.
<b>Website:</b>	<a href="http://www.layogroup.com">www.layogroup.com</a>
<b>Expected Way of Cooperation:</b>	Others
<b>Expected Cooperation with Foreign Enterprises:</b>	Discuss export and import trade.
<b>Favorable Terms Offered:</b>	None
<b>Company Name:</b>	<b>Zhejiang NewWay IMP.&amp; EXP. Co Ltd</b>
<b>Company Profile:</b>	NewWay chiefly specializes in garments, textile fabrics, leather products, auto parts, luggage, electrical and mechanical products and hardware with customers covering over 80 countries and regions.
<b>Major Investment Projects:</b>	Team Spirit, Conscientious & Responsible, Continued Improvement, Opportunity-seeking, and Ambitious Goals
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Brand cooperation or patent licensing, subcontract of products and services, others
<b>Expected Cooperation with Foreign Enterprises:</b>	Strengthen bilateral import and export cooperation
<b>Favorable Terms Offered:</b>	gives first rank to customers' interests in the pursuit of "win-win" and common development
<b>Company Name:</b>	<b>Zhejiang Newfine Industry Co Ltd</b>
<b>Company Profile:</b>	"Zhejiang Newfine Industry Co Ltd is an omnibus international joint-stock company, which is engaged in international trade, manufacturing and industry investment. Our company is an export-oriented leading enterprise in Jiaxing, which has more than 150 million US dollars total volume of foreign trade per year. Since the company has a history of

	international trade for more than 30 years, we have many staff familiar with foreign business and professional knowledge, as well as a modern working condition. Also we have several subordinate productive enterprises and lots of manufactories as our suppliers. At present, our business covers textile products, garments, foot wear & caps, hardware machinery, electrical appliances, chemical produces, etc. We have a stable global marketing network and our products export to more than 100 countries and regions. "
<b>Major Investment Projects:</b>	Import and export business
<b>Website:</b>	<a href="http://www.newfinecn.com">www.newfinecn.com</a>
<b>Expected Way of Cooperation:</b>	Project investment
<b>Expected Cooperation with Foreign Enterprises:</b>	The real estate
<b>Favorable Terms Offered:</b>	One-stop sourcing and purchase
<b>Company Name:</b>	<b>Yiwu CTC IMPO and EXPO Co Ltd</b>
<b>Company Profile:</b>	Import and Export of products and technology
<b>Major Investment Projects:</b>	Rich experience in foreign trade export and procurement service
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Project investment
<b>Expected Cooperation with Foreign Enterprises:</b>	Look for good educational training mode and products, or cooperative organization
<b>Favorable Terms Offered:</b>	Using the advantage of education to explore the Chinese market
<b>Company Name:</b>	<b>Brilliant Ocean Trading (Yiwu) Co Ltd</b>
<b>Company Profile:</b>	Import and export service and market purchase service of auto parts, kitchenware, and garment accessories.
<b>Major Investment Projects:</b>	We have long-term cooperation with Jordan, Singapore, Bangladesh and Latin American countries.
<b>Website:</b>	
<b>Expected Way of Cooperation:</b>	Subcontract of products and services
<b>Expected Cooperation with Foreign Enterprises:</b>	Sale the products and expand trade service.
<b>Favorable Terms Offered:</b>	1.Offer suitable products with the best price. 2. Offer the best trade service.
<b>Company Name:</b>	<b>Dongyang Goalsuccess Trading Co Ltd</b>

<b>Company Profile:</b>	We sale clothing, hardware and tools, gardening tools, metal minerals, household appliances, electronic products, chemical products, machinery and equipment, textiles, handicrafts, rubber products, food, medical supplies and equipment, do business and agency of all kinds of goods and technology import and export.
<b>Major Investment Projects:</b>	We have over 20 years' business experience with the foreign companies all over the world.
<b>Website:</b>	<a href="http://www.goalsuccess-dydc.com">www.goalsuccess-dydc.com</a>
<b>Expected Way of Cooperation:</b>	Others
<b>Expected Cooperation with Foreign Enterprises:</b>	Development of the knitted garment and the new fabric; one-step service during the cooperation of the detail order.
<b>Favorable Terms Offered:</b>	Competitive price & high quality garments/fabric with the best service.
<b>Company Name:</b>	<b>Zhejiang Kingston Supply Chain Management., Ltd.</b>
